End of EYFS assessments

As your child reaches the end of the Foundation Stage, this booklet is intended to give a brief overview of what will be reported to you at the end of the Reception year.

The EYFS Profile is broken down into seven areas of learning:

- Communication and Language
- Physical Development
- Personal, Social and Emotional Development
- Literacy
- Mathematics
- Understanding the World
- Expressive Arts and Design

Within these areas, there are seventeen aspects and each of these has a specific Early Learning Goal.

Assessment is on-going throughout the EYFS and Reception year, but the official EYFS Profile for each child is completed in the final term of Reception. The assessment takes place through the teachers' observation of children's independent and consistent learning and development as they take part in everyday activities. It can also be a planned observation, where teachers spend time on a specific task with an individual child or small group, but the best evidence comes from a child's independent and self-initiated learning.

There are three separate achievement levels for the EYFS Profile:

- **Expected:** your child is working at the level expected for his/her age
- **Emerging:** your child is working below the expected level for his/her age
- **Exceeding:** your child is working above the expected level for his/her age

On leaving the Foundation Stage at the end of Reception, a child is considered to have a 'good level of development' if they have achieved at least the expected level in the Early Learning Goals in all aspects of Communication and Language, Physical Development, Personal, Social and Emotional Development, Literacy and Mathematics.

Your child's teacher will award one of these levels for each of the seventeen Early Learning Goals using an exemplification produced by the Department for Education. It helps them to make accurate judgements about the types of things children should be demonstrating that show they have achieved the expected level. To ensure that EYFS levels are consistent within schools and nationally, the Profile is subject to moderation. This happens both internally, for example with other teachers, and externally, with the Local Authority taking a sample of a school's Profiles to moderate.

Communication and Language

ELG 01 Listening and attention:

Children listen attentively in a range of situations. They listen to stories, accurately anticipating key events and respond to what they hear with relevant comments, questions or actions. They give their attention to what others say and respond appropriately, while engaged in another activity.

ELG 02 Understanding:

Children follow instructions involving several ideas or actions. They answer 'how' and 'why' questions about their experiences and in response to stories or events.

ELG 03 Speaking:

Children express themselves effectively, showing awareness of listeners' needs. They use past, present and future forms accurately when talking about events that have happened or are to happen in the future. They develop their own narratives and explanations by connecting ideas or events.

Physical Development

ELG 04 Moving and handling:

Children show good control and coordination in large and small movements. They move confidently in a range of ways, safely negotiating space. They handle equipment and tools effectively, including pencils for writing.

ELG 05 Health and self-care:

Children know the importance for good health of physical exercise and a healthy diet, and talk about ways to keep healthy and safe. They manage their own basic hygiene and personal needs successfully, including dressing and going to the toilet independently.

Personal, Social and Emotional Development

ELG 06 Self-confidence and self-awareness:

Children are confident to try new activities, and to say why they like some activities more than others. They are confident to speak in a familiar group, will talk about their ideas, and will choose the re-sources they need for their chosen activities. They say when they do or don't need help.

ELG 07 Managing feelings and behaviour:

Children talk about how they and others show feelings, talk about their own and others' behaviour, and its consequences, and know that some behaviour is unacceptable. They work as part of a group or class, and understand and follow rules. They adjust their behaviour to different situations, and take changes of routine in their stride.

ELG 08 Making relationships:

Children play cooperatively, taking turns with others. They take account of one another's ideas about how to organise their activity. They show sensitivity to others' needs and feelings, and form positive relationships with adults and other children.

Literacy

ELG 09 Reading:

Children read and understand simple sentences. They use phonic knowledge to decode regular words and read them aloud accurately. They also read some common irregular words. They demonstrate an understanding when talking with others about what they have read.

ELG 10 Writing:

Children use their phonic knowledge to write words in ways which match their spoken sounds. They also write some irregular common words. They write simple sentences which can be read by themselves and others. Some words are spelt correctly and others are phonetically plausible.

Mathematics

ELG 11 Numbers:

Children count reliably with numbers from 1 to 20, place them in order and say which number is one more or one less than a given number. Using quantities and objects, they add and subtract two single-digit numbers and count on or back to find the answer. They solve problems, including doubling, halving and sharing.

ELG 12 Shape, space and measures:

Children use everyday language to talk about size, weight, capacity, position, distance, time and money to compare quantities and objects and to solve problems. They recognise, create and describe patterns. They explore characteristics of everyday objects and shapes and use mathematical language to describe them.

Understanding of the World

ELG 13 People and communities:

Children talk about past and present events in their own lives and in the lives of family members. They know that other children don't always enjoy the same things, and are sensitive to this.

They know about similarities and differences between themselves and others, and among families, communities and traditions.

ELG 14 The world:

Children know about similarities and differences in relation to places, objects, materials and living things. They talk about the features of their own immediate environment and how environments might vary from one to another. They make observations of animals and plants and explain why some things occur, and talk about changes.

ELG 15 Technology:

Children recognise that a range of technology is used in places such as homes and schools. They select and use technology for particular purposes.

Expressive Arts and Design

ELG 16 Exploring and using media and materials:

Children sing songs, make music and dance, and experiment with ways of changing them. They safely use and explore a variety of materials, tools and techniques, experimenting with colour, design, texture, form and function.

ELG 17 Being imaginative:

Children use what they have learnt about media and materials in original ways, thinking about uses and purposes. They represent their own ideas, thoughts and feelings through design and technology, art, music, dance, role play and stories.

If you have any questions please do come and see one of the Reception Teachers.
