Freedom Of Information Policy

Introduction

One of the aims of the Freedom of Information Act 2000 (which is referred to as FOIA in the rest of this document) is that public authorities, including all maintained schools, should be clear and proactive about the information they will make public. To do this we must produce a publication scheme, setting out:

- The classes of information which we publish or intend to publish;
- The manner in which the information will be published;
- Whether the information is available free of charge or on payment.
-

The scheme covers information already published and information that is to be published in the future. All information in our publication scheme is either available for you on our website to download and print off or available in paper form. Some information that we hold may not be made public, for example personal information. This publication scheme conforms to the model scheme for schools approved by the Information Commissioner. The Governing Body is responsible for maintenance of this scheme.

Aims and Objectives

The school aims to:

- Enable every child to fulfil their learning potential, with education that meets the needs of each child,
- Help every child develop the skills, knowledge and personal qualities needed for life and work and this publication scheme is a means of showing how we are pursuing these aims.

Categories of information published

The publication scheme guides you to information which we currently publish (or have recently published) or which we will publish in the future. This is split into categories of information known as 'classes'. These are contained in section 6 of this scheme Mereworth Community Primary School Freedom of Information Policy & Publication Scheme. The classes of information that we undertake to make available are organised into four broad topic areas:

- *School Prospectus* - information published in the school prospectus.
- *Governors' Documents* - information published in the School Profile and in other governing body documents.
- *Pupils & Curriculum* - information about policies that relate to pupils and the school curriculum.
- *School Policies and other information related to the school* - information about policies that relate to the school in general.

How to request information

Many of the documents are available on our website. You will find our website at <http://www.mereworth.kent.sch.uk/>. However, if you require a paper version of any of the documents within the scheme, please contact the school by telephone, email or letter. Contact details are set out below:

Email: office@mereworth.kent.sch.uk

Telephone: 01622 812569

Contact Address: Mereworth Community Primary School, The Street, Mereworth, Maidstone, Kent, ME18 5ND

To help us process your request quickly, please clearly mark any correspondence **"PUBLICATION SCHEME REQUEST"** (in CAPITALS please). If the information you're looking for isn't available via the scheme and isn't on our website, you can still contact the school to ask if we have it.

Paying for information

Information published on our website is free, although you may incur costs from your Internet service provider. If you don't have Internet access, you can access our website using a local library or an Internet café.

Single copies of information covered by this publication are provided free unless stated otherwise. If your request means that we have to do a lot of photocopying or printing, or pay a large postage charge, or is for a priced item such as some printed publications or videos we will let you know the cost before fulfilling your request. Where there is a charge this will be indicated by a £ sign in the description box.
