

Music Newsletter #2

Mereworth Community Primary School

I would like to start by announcing that we have now been awarded the **Silver Sing Up Award**. This is the result of a wealth of evidence I have collected over the past year, showcasing the wonderful and rich singing that we do at Mereworth.

The last two terms has seen some fantastic music happening across the school.

In January, Cult Status (drumming company) came in and held an assembly which received a great reaction from the children.

Our boys' choir (MBC) and our girls' choir are continuing to thrive. I am also really excited about the start of our Key Stage 1 singing club led by Mrs Helen Hunter.

On a Monday we have an after school Strings club who recently had the opportunity to perform in assembly.

We also have Music for schools who offer a variety of instrumental lessons including: Clarinet, Flute and Trumpet.

On a Tuesday Denise Greenwood offers Guitar lessons.

At our end of term assembly, it was fantastic to watch performances

from the Year 3's on the Djembe drums, Year 2 on the Glockenspiel and Year 4 on the Ukuleles. I would like to thank the teachers for their continued support with music.

We were also given performances from a few of the drummers which was really enjoyed by the children.

Both choirs performed excellently, I was extremely proud of them all; especially those children who sang a solo for the first time.

If your child is interested in learning an instrument please fill in the form below. If they would like to join one of our choirs, then please encourage them to come along at the following times:
