Year 3 Term 5 - The Local Area

Dear Parents and Carers

Welcome to term 5, we hope you all had a very good Easter Break.

Our topic this term is The Local Area and its geography. We will be investigating and locating the continents and Oceans of the world as well as locating Kent and the surrounding counties. We will also be learning the key skills of map reading, using a globe and an atlas to find information and then transferring this onto blank maps.

In Science, we will be investigating the skeleton and muscles of the human body and other animals. At the same time, we will be looking at nutrition and how animals and humans need the right types and amounts of nutrition, as they cannot make their own.

Attached is this terms topic web that outlines in more details everything that we will be covering.

Weekly Events

Monday -

Tuesday - PE

Wednesday - Home learning due back in,

Thursday - Times Table tests, Spelling Test, PE with Miss Fulton, Maths Passports

Friday - Home Learning given out

Please continue to read with your child every night and sign their reading record. I will be checking the records on a weekly basis to see how the reading is progressing. Along with the reading please discuss the story to check the understanding.

The children are progressing well with the times tables, division facts and the Maths Passports. Please continue to support your child with their learning of these.

P.E - please make sure a full PE uniform is in school. Girls should also have a spare pair of socks as tights cannot be worn with PE uniform. Trainers are better than plimsoles as they support the feet and have more grip. Unless the weather is wet we will be going outside for PE. If worn, earrings must be removed for the lesson and this is best done at home so they are not lost. Watches should also be removed for the lesson.

Homework will be given out on Friday to be returned on the following Wednesday. The children will continue to have spellings on a weekly basis as well as times tables and Maths Passports. There will also be a piece of Maths or English to complete. If there are any problems please let me know via the contact books.

Miss Jessie will be joining us for 6 weeks from Tuesday 2nd May. She is a first-year BA Trainee teacher and will be assisting me in the classroom.
