

Artists Year Six Extension Questions

Exploring and generating ideas

What information from your research did you choose to help you to develop your work?

Why did you select this information?

Investigating and Making

What material and art techniques did you use? How did you combine these?

Explain how you have combined shape, form, space and applied colour, tone, pattern and texture in your artwork

Evaluating and developing work

Describe and explain the ideas, methods and techniques you used to create your own artwork.

How did you adapt and refine your work to reflect your view of its purpose and meaning?

What other methods and techniques did others use?
