

Artists Year Four

Exploring and generating ideas

What observations did you record?

How did you do this?

What material did you choose to use?

What information helped you to make a good choice?

Investigating and Making

Explain what you were trying to represent in your artwork.

Describe some of your features you were trying to represent

Evaluating and developing work

How is your artwork similar to other people's? How is your artwork different?

Describe some links between your work and the work of artists you have studied.
