

Artists

Year two

Exploring and generating ideas

- What art materials and art techniques have you been using? What did you think of them?
- What do you want to do for you piece of art work?
- What do you want it to be about?

Investigating and Making

- What materials and art techniques have you used?
- Why have you used these materials?

Evaluating and developing work

- Describe some of the differences between your piece of work and other peoples.
- Which parts of your piece of work do you think could be made better?
- How could you do this?
