

4th November 2017

Dear Parents, Carers and Children

Welcome back, everyone! We hope you all had a good half term break. We will continue to build on our classroom ethos of TEAMWORK, where we all *“work together to learn together”*.

We have had lots of fun learning during term 1, completing our DT bread making project. We hope that the children enjoyed eating their bread. We have also made fossils in our science learning.

In terms of curriculum learning, we ask that you please keep practising times tables and maths passport focus; regular rehearsal really builds fluency.

Children are encouraged to read as often as possible, with an ideal minimum of five times a week. Please still try to find time to read together, even though your child is older and possibly an able reader – discussing a book and finding meaning at various levels is invaluable. When you read with your child please remember to complete their reading record.

If your child would like to bring in a snack for break-time, please send in fruit or vegetables - NO nuts though please.

Our PE lessons have changed this term and now will be on Tuesdays and Thursdays. Please ensure that all uniform is labelled and is in school on these days. We will continue to be outside for most of our PE learning, so please make sure that your child's PE uniform contains a plain tracksuit.

Dates for your diary.

15th & 16th November ~ Parents evening booking to be completed online.

21st November ~ Flu vaccinations. (Year R – Year 4)

25th November ~ FOMS Winter Festival 12pm-3pm
