## PE opportunities at Mereworth

It has been a very busy start to the year with many opportunities for the children to take part in inter-school competitive sports.

Our Netball team have played two matches so far this year against Wateringbury and Offham. The squad are all looking forward to representing the school in our inter-school Netball league against Ryarsh, Kings Hill and Discovery.

### **Netball Team**

### **Equal Opportunities**

We are always promoting equality in our school and both our football and our netball teams are open to girls and boys to enjoy and participate in learning.

### **Cross Country**

We have also competed in the Kent Schools Cross Country Championships at Detling Showground. All the children taking part did extremely well considering this was their first race at this level. A particular mention must be given to Kyler Barton competing in the Year 4 boys race who finished 21st in a time of 4 mins 48 seconds. Well done to all who took part.

In Term 3 we will be holding an intra-school house Sports Hall Activities challenge day. Each year group will be competing for their houses in a variety of sports hall activities e.g. standing long jump, chest pass, standing triple jump and shuttle runs, trying to earn points for their house.

### **Sports Clubs**

We are proud to offer opportunities to try a wide range of sports through our active clubs programme, as part of promoting healthy lifestyles.

### **Football**

We have been very successful on the football pitch during Terms 1 and 2, winning the inaugural inter - collaborative schools football league.

Kings Hill	6	9	7
Ryarsh	6	6	5
Discovery	6	6	30

Congratulations to the whole squad. It has been a real team effort and they should all be proud of their achievement. I know the whole school is very proud of them all. Thank you to all the parents for their support at each game, cheering us on!
