Thursday 11th January 2018

Dear Parents and Carers,

Following feedback from the recent parent and pupil homework survey, we will be trialing a new home learning system throughout Term 3. We hope the new system will offer greater flexibility to you and the children when completing their home learning.

The children will be tasked with completing one homework activity each week from a choice of 10 different activities. The activities are mostly inspired by our classroom learning during Term 3.

I would like them to pick one activity to do each week and hand it in by Wednesday of the following week to be checked. Their homework book will then be given back to them ready to complete the next piece of homework. Each time they bring in their homework they will be given a special homework token. Each token they receive will go into our prize draw, which will be drawn on the last day of term. The more homework they complete, the more chance they have of winning!

Some of the activities will take longer to complete than others, which gives the children the flexibility to select a task which will take less time to complete if they have a busy weekend planned.

If you have any questions or concerns please come and see me.

Many thanks for your continued support.

Mr Mitchell
Year 3 Class Teacher
