Wednesday 10th January 2018

Dear Parents,

Happy New Year! We hope you all had a fantastic holiday.

Firstly, thank you for the support you all gave last term during our study of Life in Britain over the last 100 years. We had some super artifacts and really interesting family stories brought in, which prompted some great discussions. Thank you also, for your food contributions to our well appreciated Seniors' Christmas Tea Party.

This term we focus more on geographical skills and will be developing our knowledge of the world. We will also be learning about electricity in science. In DT we will be studying fairground rides and we'll aim to use electrical circuits to make our own rides work. In RE we will be studying Islam. In music we will be learning the recorder, so if your child has their own recorder, could they please bring it in each Friday.

Please make sure your child has indoor and outdoor PE kit in school for Wednesday and Thursday. This term we will be learning netball skills on Wednesday and rugby on a Thursday with the coach.

Home learning will continue to be set on Friday and is due in Wednesday. We are trialing a different way of presenting our home learning, taking into account the feedback we have received from the home learning survey. Your child will have a new home learning book containing a task grid and instructions.

Our website page has been updated with recent events, if you would like to see some of the activities we have been up to so far. Patch the guinea pig continues to be available for weekends and for the February half term.

Miss Maryon and Mrs Jones
Year 6 Class Teachers
