Mereworth School Breakfast Club

Mission Statement

All adults associated with the school take great delight in welcoming children and their families into our community. We can see so much potential in every child and feel privileged to have jobs which can influence who they will become in the future.

We want every child and adult who passes through Mereworth School to look back on their experiences here with great fondness. We are determined that we will help every child find what it is they are good at and then help them excel in this.

We want every child to leave this school feeling prepared for the future, with high self-esteem, having forged strong and respectful relationships with other people. We want the experiences they have at our school to form special memories, which will be with them for the rest of their lives.

Behaviour Management Policy

Breakfast Club recognises the importance of using effective behaviour management strategies in promoting children's welfare and enjoyment. Working in partnership with parents, we aim to manage behaviour using clear, consistent and positive strategies.

Whilst at **Breakfast Club** we expect children to:

- Use socially acceptable behaviour.
- Comply with the Club rules, which are compiled by the children attending the Club.
- Respect one another, accepting differences of race, gender, ability, age and religion.
- Develop their independence by maintaining self-discipline.
- Choose and participate in a variety of activities.
- Ask for help if needed.
- Enjoy their time at the Club.

Encouraging Positive Behaviour

Positive behaviour is encouraged by:

- Staff acting as positive role models.
- Praising appropriate behaviour.
- Sticker rewards.
- Informing parents about individual achievements.
- Certificates for exceptional accomplishments.
- Offering a variety of play opportunities to meet the needs of the children attending the Club.
- Re-enforcing the school 'Good to be Green' Behaviour Management strategy.

It is inevitable that as children develop and learn, there are times when they need support and guidance to understand that their behaviour is not acceptable. Staff at the Club will try to determine the cause or triggers of the inappropriate behaviour to prevent the situation from recurring.

Dealing with inappropriate behaviour

- Challenging behaviour will be addressed in a calm, firm and positive manner.
- In the first instance, the child will be temporarily removed from the activity session.
- Staff will discuss why the behaviour displayed is deemed inappropriate.
- Staff will give the child an opportunity to explain their behaviour, to help prevent a recurrence.
- Staff will encourage and facilitate mediation between children to try to resolve conflicts through discussion and negotiation.
- If the inappropriate behaviour occurs staff will consult with the child to find activities that more fully engage them.
- Staff will consult with parents to formulate clear strategies for dealing with persistent inappropriate behaviour.
- Children continuing to make the wrong behaviour choices will then be subject to the School Behaviour Management System, and will be put onto the appropriate colour. This will be communicated to the class teacher.

Behaviour Management Policy

-2-

If after consultation with parents and the implementation of behaviour management strategies, a child continues to display inappropriate behaviour, the Club may decide to exclude the child in accordance with the **Behaviour and Exclusions** policy. The reasons and processes involved will be clearly explained to the child.

Physical Intervention

Physical intervention will only be used as a last resort, when staff believe that action is necessary to prevent injury to the child or others, or to prevent significant damage to equipment or property.

All serious incidents will be recorded on an Incident Log and kept in the child's file. This may be used to build a pattern of behaviour, which may indicate an unknown underlying cause. Where causes of incidents indicate possible abuse, child protection procedures will be implemented.
