PE Opportunities at Mereworth

The children have had a great year of PE and we'd like to thank Gurdip and Grant, our school sports coaches, for their continued enthusiasm and hard work.

We are looking forward to some exciting new sporting opportunities next school year.

Healthy Living Day

In Term 5 we held our Healthy Living Day where each year group took part in half an hour of non-traditional competitive sports. It was a lot of fun and the year groups that took part in Human Hungry Hippos had a fantastic time.

Sports Clubs

The results of the recent pupil PE and Sports Club questionnaire have now been analysed. The children have asked for a Dance and Gymnastics after school club and we have managed to secure a dance teacher to start an after school club starting in September 2018 to run all year.

Following discussions with our fantastic coaches, we will also be running a Gymnastics and Parkour club during Terms 3 & 4 next academic year.

In July, we held a very successful and enjoyable whole school skipping workshop where the children (and teachers!) learnt lots of new skipping tricks.

Sports Fixtures

We have been very successful again during Terms 4 and 5—this time on the netball court. We finished runners up in the inaugural inter-collaborative schools netball league.

| | PLD | PTS | GD |
|--------------|-----|-----|-----|
| Wateringbury | 6 | 18 | 46 |
| Mereworth | 6 | 12 | 21 |
| Ryarsh | 6 | 4 | -19 |
| Discovery | 6 | 1 | -49 |

Congratulations to the whole squad who have played for the school team. It has been a real team effort and they should all be proud of this achievement. I know the whole school is very proud of them all.

Sports Day 2018

As always, our Sports Day showcased a wide range of skills and talents! We had relay races, long distance running, sprints, various agility and obstacle races, as well as shot put for Years 5 & 6.

We hope you all enjoyed the new format and the variety of carousel activities which gave all the children more opportunities to participate.

Our four teams all showed great teamwork and sportsmanship during the morning and everyone really tried their best.

Congratulations to Mosquitos for a fantastic team effort and for winning sports day for the second year running.

Sign up for next year's clubs now!
