

La Jolie Ronde

It is a really exciting time to be learning French at Mereworth Primary School, we are teaching it using the La Jolie Ronde scheme which involves learning through exciting games and interactive resources. The children in KS2 use colourful work books to record their learning and this also has a useful reflection section in the back so they can self-assess how far they have come.

French Newsletter

French Café

At the end of last term we opened a French Café for a morning in the Year 6 classroom. The KS2 children were greeted by their Y6 waiters in French and encouraged to order their crossiants and pain au chocolat in French. The children all enjoyed this fun way to practise their language skills.

There are lots of fun websites your children can try :
