No.

why some teachers are harsh

When i moved to this school i was very unsure about my confidence, and everyone, from teachers to pupils helped my to build up my confidence and all my strengths!

this school can really help with peoples confidence and i am sure they would love it at Mereworth.

The only thing about Mereworth school is that the safety measures that they are putting in place - such as all the fencing - makes me feel a little caged in. It does not make me feel trusted by the teachers to not wander off into the woods and look after the younger ones.

it is a great school.

its a great school

The food has improved.

I very much enjoy this school

Every one is nice and its a lovely school.

Sometimes I find hairs in my school lunch so please consider hairnets and be more careful about bullying

I sometimes enjoy school but sometimes I don,t enjoy it at all because when it is our football day we always argue about the teams.

year 5 is good because the teachers are carrying .I wish we had more games at lunchtime.

I enjoy having nice staff who listen to what you say

I enjoy how we have lots trips at school and how they try and make things more fun for us(like adding the race track).

I really enjoy having a nice teacher in year 5 because in some other years there have been strict teachers such as Mrs Hearn and the old year 1 teacher. I wish we did more comprehensions that Mrs Pearson helps us with so we are ready for the 11 plus.
