

Online Home Learning Resources – Year 1

Oxford Owl – Online Reading Library - <https://home.oxfordowl.co.uk/books/free-ebooks/>

This incredible free online resource provides children with a selection of age appropriate reading books.

Stories for Wider Reading

Tips for reading the stories together

These three stories use simple everyday language. Encourage your child to read as much as they can with you. You can help your child to read any more challenging words, like 'cake' and 'bike', in the context of the story. Children enjoy re-reading stories and this helps to build their confidence and their vocabulary.

Tips for reading *Floppy Did This!*

- Talk about the title and look through the pictures so that your child can see what the story is about.
- Read the story to your child, placing your finger under each word as you read.
- Read the story again and encourage your child to join in.
- Give lots of praise as your child reads with you.
- Talk about the story.
- Do the fun activity on page 60.

After you have read *Floppy did this!*, find the paintbrush in every picture.

This book includes these useful common words:
it is no

For more activities, free eBooks and practical advice to help your child progress with reading visit [oxfordowl.co.uk](https://www.oxfordowl.co.uk).

Floppy Did This!

Chip did this.

Twinkl - <https://www.twinkl.co.uk>

This website is fantastic for resources linked to all subject areas. Sign up for free for one month with the code- UKTWINKLHELPS.

Purple Mash- <https://www.purplemash.com>

You child already has their own 'Purple Mash' log in. There are a number of wonderful activities and games within purple mash linked to a variety of curriculum areas. I am setting 2DO activities through this website. This is a good way for me to be able to see the activities the children are doing so I would like to continue to use this as the first choice for tasks.

Mathletics - <https://login.mathletics.com/>

You child already has their own Mathletics log in. The site has activities linked to all of the topics taught within the Year 1 Maths curriculum. As soon as the current tasks are completed, I will then set additional tasks. This is an excellent resource as the questions are similar to the style of SATs questions. Some children are now close to completing all of the activities on the website. If this happens, I will go through and choose some I would like them to complete again, particularly on topics we have not covered in class so these are more secure.

Pobble 365- <http://www.pobble365.com/>

A literacy website designed to engage children by using a different picture every day.

The children can use the story starter to create a story using their own imagination, a sentence challenge relating to SPAG, sentence upgrading and question time where there are questions to ignite your child's curiosity.

See an example below:

Question time!

If our world was like this, how would our lives be different?

Which musical instrument do you think would make the best world to live on?

What do you think might grow on the guitar next?

What do you think is inside the guitar?

What is your favourite type of music?

Sick sentences!

These sentences are 'sick' and need help to get better. Can you help?

- ▶ **A big tree with big branches grows out of the top. Volcanoes go out of the base.**

Renaissance – My On – Online reading resource - <https://readon.myon.co.uk/library/browse.html>

My On is a student-centred, personalised literacy platform that offers every student unlimited access to an enhanced digital library. There are hundreds of age appropriate online books designed to engage you child in reading. Using the search bar you can filter to 'Year 1' level reading books.

BBC Bitesize - <https://www.bbc.co.uk/bitesize>

BBC

Bitesize

This is a fantastic resource that allows children to engage in learning across a range of different curriculum areas. From Monday 20th April, BBC Bitesize will be releasing daily lessons for children.

Phonics bloom - <https://www.phonicsbloom.com/>

This is a fantastic website full of amazing online resources for phonics. You can sign up for free to access these resources.

Times Table Rock Stars - <https://trockstars.com/>

Your child has got a log in for this resource already. It is a really good website for your child to practise their times table knowledge and develop their fluency. This

same login can be used for Numbots which supports children in practising their number fact knowledge.

Reading Eggs - <https://readingeggs.co.uk/>

This wonderful reading website is doing a 30 day free trial for parents.

Phonics play - <https://www.phonicsplay.co.uk>

This is a website we often use in the classroom to practise the sounds we have been learning. Remember we have now learnt all the new sounds in phase 5. There are lots of games the children can play to reinforce the new sounds.
