

Week Beginning- 20/04/2020

English Challenge

Create a story map for 'Jack and the beanstalk'. Here is an example.

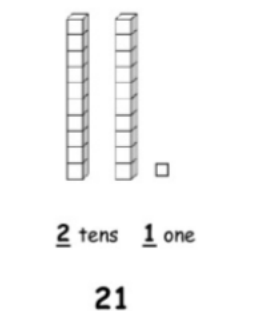

Extra challenge:

Can you come up with your own actions to go with the story like we do for all our class stories in Year 1?

Maths Challenge

Choose 10 numbers between 0 and 100. Draw the tens and ones of each number. See the example here.

Tell me how many tens and how many ones in each number.

Extra challenge:

Choose a pair of numbers to compare using the greater than or less than signs. Can you explain how you know?

e.g $56 < 65$
is less than

Stem sentence: I know that 56 is less than 65 because 5 tens is less than 6 tens.

Science Challenge

Draw a plant and label the parts to the plant. The parts to label are:

- Flower
- Stem
- Leaves
- Roots

Research what a plant needs to grow healthily.

Topic Challenge

Find out where the UK is on the world map. Label the 4 countries of the UK. Each week we will then be studying the 4 countries in depth.

Curriculum Challenge

PSHE – Think of all the ways the environment can be damaged. Choose 1 to explore.

Present your work in any way you would like: a poster, leaflet, non-fiction report.
