

### **Maths Passports and Time Tables**

Please practice your child's Maths Passport target or times table target weekly and then create a check at the end of the week for them to demonstrate that they have met this target. You can refer to the school website in the Maths section under Maths Passports.

	<b>Africa</b>	<b>Australasia</b>	<b>Antarctica</b>
Week 1	Rounding 2 digit numbers to the nearest 10	Doubles of multiples of 5 to 100	Divide any 4 digit number by 10 (see White Rose Website Wk 2 lessons)
Week 2	X5 up to 12x5	Sum of multiples of 10 to 100	Divide any 4 digit number by 100
