

Spellings

This terms spellings will be focusing on words ending in 'ary', those spelt with an 'o or ou' but have the sound 'u', also word families based on common words showing how they are related in form and meaning – for example struct – instruct, structure. The words in red are those that form part of the Year 3 and 4 statutory spelling list.

You can practice your spellings in any way that helps you, this could be in bubble writing, rainbows. I would like you to practice writing these in sentences, maybe your parents could dictate sentences for you to write out. Remember you only need capital letters were they are appropriate and needed.

At the end of each week I would like you to create your own version of a spell checker. Let me know how you got on when we return to school.
