Mereworth Community Primary School
"Lasting learning experiences for life"

Year 2 2020-21

Next school year is going to be exciting and we are really looking forward to being your class teachers. You will learn to achieve through many different challenges and find out lots of new things along the way.

Week 8 – Monday 20th and Tuesday 21st July – Home and School Learning

I have provided you with a PDF of the work the children in school will be completing. I would like you to complete the 'Spreading my wings from Year 1 to Year 2' transition booklet in as much detail as possible and using colour. Please bring this with you on your first day back at school in September. You do not have to complete all of the other activities set but you may find them useful in aiding transition.

During the summer holiday:

We would like you to continue reading story books; reading at least once every day. Please also practice your targets for your Maths Passports.

We would also love to see and hear about the books you have been reading. We have attached a reading record for you to complete. Please bring them with you on your first day back at school.

For your child's **summer home learning project** the focus will be 'All About Me'. In order to get to know your child a bit better, we would like them to create an 'All About Me' 3D poster as their home learning task. Please could your child collect some things that are important to them that will tell me a bit about who they are and compile these to make an A3 or A4 display.

I would like these to be brought in by Friday 4th September. The 3D poster should contain about 5 or 6 items that your child can talk about. This may include photographs of them or their family, an object from their favourite place or a holiday or a special book that they like.

Equipment

If your child would like to bring in a **clear pencil** case in September they are more than welcome to do so.

The only equipment needed is:

- A 30cm ruler
- 4 coloured pencils
- 2 writing pencils
- A plain rubber
- A plain sharpener

Wishing you all a fabulous, fun-filled, holiday! We look forward to hearing all about your adventures when you return in September.

Miss Ovenell
Year 2 Class Teacher
