Mereworth Community Primary School
"Lasting learning experiences for life"

Year 3 2020-21

Next school year is going to be exciting and we are really looking forward to being your class teacher. You will learn to achieve through many different challenges and find out lots of new things along the way.

Week 8 – Monday 20th and Tuesday 21st July – Home and School Learning

I would like you to choose one of the mobile phone templates attached and print it off. Please complete the 'All About Me' Mobile phone template in as much detail as possible and using colour. Please bring this with you on your first day back at school.

During the summer holiday:

I would like you to continue reading story books; reading at least once every day. Please also practice your targets for your Maths Passports and the times tables for year 3 which are: 3, 4, 8 and 6 – please also continue to practice 2, 10 and 5 which you would have been doing at the end of year 2.

I would also love to see and hear about the books you have been reading. I have attached a reading record for you to complete. Please bring this with you on your first day back at school.

For your child's **summer home learning project** the focus will be 'Light and Shadows', which the children will be learning about in Science in Term 1. Please complete this and hand it in on Monday 7th September 2020

Choosing one of the following activities:

1. Create a poster about what are natural sources of light and what are not natural sources of light and why?
2. Create a sundial/shadow clock with a gnomon
3. Create an effect like this and explain how you did it and why the effect happens.

Please can I ask that in September children bring in a pencil case. The only equipment needed is:

A 30cm ruler (optional)

Pencils - writing and colouring (not a lot of colouring in books is in felt tip)

Rubber

Pencil Sharpener

Hand writing pen (if you have a pen licence)

Wishing you all a fabulous, fun-filled, holiday! I look forward to hearing all about your adventures when you return in September.

Mrs Delaney
Year 3 Class Teacher
