Mereworth Community Primary School
"Lasting learning experiences for life"

Year 5 2020-21

Next school year is going to be exciting and I am really looking forward to being your class teacher. You will learn to achieve through many different challenges and find out lots of new things along the way.

Week 8 – Monday 20th and Tuesday 21st July – Home and School Learning

I would like you to choose one of the mobile phone templates attached and print it off (**use the templates on Page 11 and 12 of the accompanying PDF**). Please complete the 'All About Me' Mobile phone template in as much detail as possible and using colour. Please bring this with you on your first day back at school. Read the instructions carefully on how to cut and fold the sheets correctly.

During the summer holiday:

I would like you to continue reading story books; reading at least once every day. Please also practice your targets for your Maths Passports and all of the times tables up to 12 x 12 (with the related division facts).

I would also love to see and hear about the books you have been reading and I have attached a reading record for you to complete every time you finish a whole book. Please bring this with you on your first day back at school.

For your child's **summer home learning project** the focus will be 'Maps', which the children will be learning about in Geography in Term 1. Please complete this project and hand it in on Monday 7th September 2020.

Choosing one of the following activities:

1. Create a model of your house, thinking about shape and proportion.
2. Create a persuasive leaflet advertising the local area surrounding your home.
3. Create a map of Mereworth, illustrating and identifying any specific features that you would find on a normal map.

Please can I ask that in September children bring in a pencil case that will fit in their tray. The only equipment needed is:

A 30cm ruler (optional)

Pencils - writing and colouring (not a lot of colouring in books is in felt tip)

Rubber

Pencil sharpener

Hand writing pen (if you have a pen licence)

Wishing you all a fabulous, fun-filled, holiday! We look forward to hearing all about your adventures when you return in September.

Mrs Ford
Year 5 Class Teacher
