Mereworth Community Primary School
"Lasting learning experiences for life"

Year 6 2020-21

Next school year is going to be exciting and we are really looking forward to being your class teachers. You will learn to achieve through many different challenges and find out lots of new things along the way.

Week 8 – Monday 20th and Tuesday 21st July – Home and School Learning

We would like you to choose one of the mobile phone templates attached and print it off. Please complete the 'All About Me' Mobile phone template in as much detail as possible and using colour. Please bring this with you on your first day back at school.

During the summer holiday:

We would like you to continue reading over the summer; reading at least once every day. Please also practice your targets for your Maths Passports and all your times tables up to 12.

We would also love to see and hear about the books you have been reading. We have attached a reading record for you to complete. Please bring this with you on your first day back at school.

For your child's **summer home learning project** the focus will be 'World War 2' which the children will be learning about in History in Term 1. Please complete this and hand it in on Monday 7th September 2020

Choosing one of the following activities:

1. Create a model of an air raid shelter and find out about why these were needed.
2. Create a poster about an event within WW2 for example, D Day, Dunkirk, Pearl Harbour or the Battle of Britain.
3. Create a meal based on rationed foods. Take photos and describe what the meal was like and how it was different to a meal you may make today.

Please can I ask that in September children bring in a pencil case. The only equipment needed is:

A 30cm ruler (optional)

Pencils - writing and colouring (not a lot of colouring in books is in felt tip)

Rubber

Pencil Sharpener

Hand writing pen (if you have a pen licence)

Wishing you all a fabulous, fun-filled, holiday! We look forward to hearing all about your adventures when you return in September.

Miss Maryon and Mrs Jones
Year 6 Class Teachers
