### Staffing

We currently have a vacancy for the Chef Manager position which we are actively trying to fill.

In the meantime, rest assured, we have highly qualified staff working in the kitchen to ensure that, until this position is filled, we maintain the standards expected by both the yourselves and the school.

### Portion Sizes

We understand that the older year groups have larger appetites: Our policy is that we routinely serve larger portions to the older year groups.

For younger year groups, we would of course serve a larger portion if they request it.

### Dear Parents and Carers

Welcome back to school. We have really missed serving the children at lunchtime. After such a long time away, we are delighted to have welcomed everyone back, and to be once again preparing and serving school lunches to the pupils.

Thank you for your continued support.

### New Menu

We have worked with the school to create a new menu for the children with lots of their favourites on and a few new dishes for them to try too.

As always all our dishes are prepared and cooked daily, using fresh ingredients, delivered daily.

If you have any queries about the catering service, please feel free to contact me directly:
