We have worked closely with the school to ensure that as many events can be held and as safely as possible. We wanted to make sure that the children don't miss out and we can continue to fundraise during these difficult times. If any restrictions change in the coming months then obviously these events may be subject to change.

Please contact your class representatives with any offers of help and they will be providing further information about all these events as they approach.

Thank you for all your support in the past and going forward, I hope we continue to help our lovely school as a team!
