

## **RESULTS of annual questionnaire for the academic year 2019-2020**

Dear parents, thank you for completing the annual questionnaire for last academic year 2019-2020. There were **82 responses** as detailed in the table below:

<b>Questionnaire responses received by each class %</b>	
Year R	17%
Year 1	21%
Year 2	22%
Year 3	10%
Year 4	9%
Year 5	5%
Year 6	16%

The questionnaire we used at the end of the summer term is based on the new Ofsted Parent Survey (Parent View) and the new Ofsted framework for inspection, therefore the questions differ from the questionnaire that we have used over the last 4 years.

The 82 questionnaire responses received were very positive, with the majority in '*strongly agree*' or '*agree*' categories.

Please find attached a copy of the SEND Team for the school which outlines roles and responsibilities. This information is also available via the school website.

Your questionnaire responses help us to evaluate everything we do at the school and provide staff and governors with valuable information for future planning.

I would like to thank all the parents that have taken the time to complete this questionnaire and for sharing your views. As a whole staff team we really do appreciate your feedback, and the recognition of the good work that we do is highly motivating and rewarding for all staff.

For more information about the annual survey results, including a comparison of results, please visit the **school website** [www.mereworth.kent.sch.uk](http://www.mereworth.kent.sch.uk) and click on the tab: '**Our Parents**' and '**School Survey Results**.'
