Start of the Summer Term 2021

Friday 23rd April 2021

Dear Parents,

The children have made an excellent start to Term 5 and with the beautiful weather this week they have thoroughly enjoyed being outside.

Staying safe in the sun

With the temperatures rising, please ensure your child comes to school with the following items – all clearly labelled with their name:

- a sunhat to protect them from UV rays during the summer term
- a bottle of sun cream
- a water bottle

Please apply sun cream in the morning before they arrive at school. Children can re-apply their own sun cream during the school day. The children will be reminded about sun safety in assemblies this term and about the measures to take to avoid burning.

Are you able to help us during the month of May?

We need volunteers to help us makeover some of the outside areas at school. You can really make a difference by helping us with a whole range of jobs including:

- Re-painting all outside areas of the EYFS playground.
- Re-painting all the children's outside benches and tables.
- Re-painting the main fence that leads from the gate to the school office.

Please inform the school office (or myself at the school gate) and we will arrange times/days directly with you to ensure that you are able to be on the school site without compromising the school COVID-19 protective measures currently in place. This essential outside painting 'makeover work' will make a real difference to our school environment for the benefit of all the children.

Online support for parents: OMEGLE:

Please find attached a National Online Safety poster about Omegle. We recognise the challenges of ensuring that your child is safe online and each week we will provide information to support you as a parent. Please don't hesitate to contact us if you need any advice or support regarding the online safety of your child.
