Friday 30th April 2021

Dear Parents,

I have received a number of offers to help us makeover some of the outside areas at school. If there is anyone else that is able to support us during the month of May, please inform the school office (or myself at the school gate) and we will arrange times/days directly with you to ensure that you are able to be on the school site without compromising the school COVID-19 protective measures currently in place.
