

Year R			
	Autumn	Spring	Summer
Wk 1	Settling in / baseline assessment	2D shapes	Awaiting guidance from Maths No Problem
Wk 2	Settling in / baseline assessment	2D shapes	
Wk 3	Settling in / baseline assessment	Positional language	
Wk 4	Matching	Awaiting guidance from Maths No Problem	
Wk 5	Sorting		
Wk 6	Comparing and ordering		
Wk 7	AB Patterns		
Wk 8	Counting		
Wk 9	Counting		
Wk 10	Time		
Wk 11	Composition of numbers up to 5		
Wk 12	Composition of numbers up to 5		

Year 1			
	Autumn	Spring	Summer
Wk 1	Number & Place Value Numbers to 10	Calculation Addition & Subtraction	Division
Wk 2	Number & Place Value Numbers to 10	Calculation Addition & Subtraction	Division
Wk 3	Calculation Addition & Subtraction	Calculation Addition & Subtraction	Fractions
Wk 4	Calculation Addition & Subtraction	Number Place Value to 40	Number & Place value to 100
Wk 5	Calculation Addition & Subtraction	Number Place Value to 40	Number & Place value to 100
Wk 6	Shape	Number Place Value to 40	Measurement Time
Wk 7	Measure Length	Calculation Addition & Subtraction Word Problems	Measurement Money
Wk 8	Geometry Position & Direction	Calculation Addition & Subtraction Word Problems	Measurement Volume & Capacity
Wk 9	Geometry Position & Direction	Calculation Addition & Subtraction Word Problems	Measurement Mass
Wk 10	Number & Place Value Numbers to 20	Calculation Multiplication	Geometry Position & Direction
Wk 11	Number & Place Value Numbers to 20	Calculation Multiplication	End of Year Test
Wk 12	Calculation Addition & Subtraction 20	Calculation Multiplication	Review & Remediation

Year 2			
	Autumn	Spring	Summer
Wk 1	Number & Place Value to 100	Calculation Addition & Subtraction	Measure Time-
Wk 2	Number & Place Value to 100	Calculation Addition & Subtraction	Measure Time / volume
Wk 3	Number & Place Value to 100	Calculation Multiplication & Division	Measure volume
Wk 4	Calculation Addition & Subtraction	Calculation Multiplication & Division	Recap all topics
Wk 5	Calculation Addition & Subtraction	Measure Money	Recap all topics
Wk 6	Calculation Addition & Subtraction	Geometry Properties of 2D shapes	Recap all topics
Wk 7	Calculation Addition & Subtraction	Geometry Properties of 2D shapes	Recap all topics
Wk 8	Calculation Addition & Subtraction	Geometry Properties of 3D shapes	Recap all topics
Wk 9	Calculation Multiplication & Division	Fractions	Assessment
Wk 10	Calculation Multiplication & Division	Fractions	Review & Revisit
Wk 11	Measure Money –	Fractions	Review & Revisit
Wk 12	Measure Length	Review & Revisit	Review & Revisit

Year 3			
	Autumn	Spring	Summer
Wk 1	Number & Place Value to 1000	Fractions	Statistics Bar Graphs & Picture
Wk 2	Number & Place Value to 1000	Fractions	Measure Length
Wk 3	Calculation Addition & Subtraction	Fractions	Measure Length
Wk 4	Calculation Addition & Subtraction	Fractions	Measure Mass
Wk 5	Calculation Addition & Subtraction	Fractions	Measure Volume
Wk 6	Calculation Addition & Subtraction	Measure Volume	Measure Volume
Wk 7	Calculation Addition & Subtraction	Measure Volume	Measure Money
Wk 8	Calculation Multiplication & Division	Geometry Properties of Shape Angles	Measure Money
Wk 9	Calculation Multiplication & Division	Geometry Properties of Shape Angles	Measure Time
Wk 10	Calculation Multiplication & Division	Geometry Properties of Shape	Measure Time
Wk 11	Calculation Multiplication & Division	Measurement Perimeter	Measure Time
Wk 12	Calculation Multiplication & Division	Measurement Perimeter	Review & Remediation

Year 4			
	Autumn	Spring	Summer
Wk 1	Place Value Roman Numerals	Calculation Multiplication & Division	Decimals
Wk 2	Number & Place Value to 10000	Calculation Multiplication & Division	Decimals
Wk 3	Number & Place Value to 10000	Measure Area & Perimeter	Decimals
Wk 4	Number & Place Value to 10000	Measure Area & Perimeter	Decimals
Wk 5	Calculation Addition & Subtraction	Geometry Properties of Shapes	Decimals
Wk 6	Calculation Addition & Subtraction	Geometry Properties of Shapes	Measure Money
Wk 7	Calculation Addition & Subtraction	Geometry Position & Direction	Measure Time
Wk 8	Calculation Addition & Subtraction	Fractions	Measure Time
Wk 9	Calculation Multiplication & Division	Fractions	Measure Mass Volume & Length
Wk 10	Calculation Multiplication & Division	Fractions	Measure Mass Volume & Length
Wk 11	Calculation Multiplication & Division	Fractions	Measure Mass Volume & Length
Wk 12	Calculation Multiplication & Division	Statistics	Review & Remediation

Year 5			
	Autumn	Spring	Summer
Wk 1	Number & place Value 1000000	Fractions Decimals & Percentages	Geometry Position & Direction
Wk 2	Number & place Value 1000000	Fractions Decimals & Percentages	Measurement
Wk 3	Number & place Value 1000000	Fractions Decimals & Percentages	Measurement
Wk 4	Calculation Addition & Subtraction	Fractions Decimals & Percentages	Measurement
Wk 5	Calculation Addition & Subtraction	Mid Year Remediation	Measurement Area & Perimeter
Wk 6	Calculation Multiplication & Division	Fractions Decimals & Percentages	Measurement Area & Perimeter
Wk 7	Calculation Multiplication & Division	Fractions Decimals & Percentages	Measurement Area & Perimeter
Wk 8	Calculation Multiplication & Division	Fractions Decimals & Percentages	Measure Volume
Wk 9	Calculation Multiplication & Division	Fractions Decimals & Percentages	Measure Volume
Wk 10	Calculation Word Problems	Geometry Properties of Shape	Number & Place Value Roman Numerals
Wk 11	Statistics	Geometry Properties of Shape	Review & Remediation
Wk 12	Statistics	Geometry Properties of Shape	Review & Remediation

Year 6			
	Autumn	Spring	Summer
Wk 1	Number and place value	Measures	Revision whole curriculum / gap areas
Wk 2	4 operations	Measures	Revision whole curriculum / gap areas
Wk 3	4 operations	Geometry	Revision whole curriculum / gap areas
Wk 4	Fract. / dec / %	Geometry	SATs
Wk 5	Fract. / dec / %	Algebra	Wider curriculum catch up
Wk 6	Fract. / dec / %	Algebra	Famous Mathematicians
Wk 7	Measures	Statistics	Famous Mathematicians
Wk 8	Measures	Statistics	Famous Mathematicians
Wk 9	Ratio	4 Operations / word problems	Revisit concepts
Wk 10	Ratio	4 Operations / word problems	Residential
Wk 11	Catch up / Assessment	Assessment	Revisit concepts
Wk 12	Geometry – shape	Revision / gap areas	Revisit concepts

	Geometry – translations and quadrants		
--	---------------------------------------	--	--
