Reception Class - Term 5 2021-22

Welcome back!

We hope you had an enjoyable Easter break and are looking forward to an action packed term. Please find attached our topic web, which provides information about our theme "Ticket to ride!"

Thank you for your continued support in reading with your children at home, please read with your child every night. Please also ensure you ask a variety of questions relating to the text to make sure your child fully understands what they are reading. Also please continue to support your child learning to read and write their key words, learning their new ones and revising previous sets. If your child knows all of the key words they have at home, please tell a member of staff and we will assess them and give them the next set of words

In Maths this term will be continuing to learn about numbers to 10 and also learning about numbers from 11 to 20, continuing to focus on using our knowledge of number to add objects together and take numbers away. We will continue to compare numbers and learning to count on and back from different numbers. We will also be concentrating on writing our digits correctly.

We will be continuing Forest School on Tuesday and will go out whatever the weather (fingers crossed it will be warmer this term). Please ensure your child comes to school dressed for Forest School and brings a change of clothes including socks in case they get wet or muddy. We will continue to have P.E. on Thursday morning with Mrs. Dunne so please ensure your child has a fully named PE kit, including a tracksuit and trainers as the children participate in PE outside.

We are looking forward to a fun-filled, action-packed term and have lots of new and exciting activities planned for your children. If you have any questions or concerns please either write in the contact book or email the class page and we will be happy to discuss any issues you may have.

Thank you
The Reception Team
Mrs. Knight and Mrs. Barge
